

Job title: Junior front-end Developer

Location: Remote / Bristol

Title: Full-time

Salary: £20k-£22k

The place

We are a Shopify agency partnering with ethical, conscious e-commerce brands and purpose driven creative agencies to make a meaningful impact online.

The role

We're looking for an outgoing, ambitious Junior Front-end Developer to join our team of coders with character - you will be given resources, time, mentorship and live projects to help you learn and grow extremely quickly. You will be joining our small, but passionate, team as a key part of our growing agency.

Responsibilities

- Supporting senior development team on multiple projects
- Shopify theme customisation
- Uploading content and setting up online products
- Technical integrations (plugins/apps)
- Browser and device testing all of your work
- Testing and QA of team member's work
- Learning Shopify's Liquid language, working towards bespoke theme development
- Up-skilling on new platforms and development stacks

Requirements

- Front-end Development experience (CSS, JavaScript, HTML & Liquid)
- Enthusiastic attitude with a willingness to learn new skills and contribute ideas
- Excellent verbal & written communication skills
- Working to fixed project deadlines
- Understanding of SEO requirements

Desirable

- Experience with Shopify
- Experience in an agency setting
- Provable eye for good UX/design

Benefits

We're a relaxed and friendly bunch working from a bright, airy and dog friendly studio* in the heart of Bristol. As well as the opportunity to work with amazing ethical, purpose-driven brands on Shopify, you'll also benefit from:

- Flexible working hours
- Remote-first working
- Your own MacBook
- Private healthcare
- Pension scheme
- 28 days annual leave
- Opportunities for progression within a growing agency

Sound good?

Please send your CV with a brief explanation of why you're a good fit for Noughts & Ones to Tom Locke on work@noughtsandones.com.

*Due to the COVID-19 pandemic, we are currently operating on a "remote-first" basis with studio being available for use if necessary. The safety of our team is paramount to us, we have strict measure in place to those who do use the studio.
